

COLLEGE OF ARTS AND SCIENCES

Introduction

The faculty of the College of Arts and Sciences excel in teaching, scholarship, and service. The faculty engage students with a curriculum that promotes learning in a culturally diverse environment, and serves the needs of traditional and non-traditional students. In pursuit of our mission, the College challenges our students to apply their intellectual curiosity and skills in order to improve their communities.

College Administrative Officers

Dr. Debra Feakes, *Dean College of the Arts and Sciences*

Dr. Marvin M. F. Lutnesky, *Associate Dean, College of Arts and Sciences*

Michelle Costa, *Director of Masters Programs*

Department Chairs

Dr. M. K. Balasubramanya, *Department of Computational, Engineering, and Mathematical Sciences (CEMS)*

Dr. Amy K. Dicke Bohmann, *Department of Health and Behavioral Sciences (HBS)*

Dr. Durant H. Frantzen, *Department of Criminology and Political Science (CPS)*

Dr. Katherine A. Gillen, *Department of Language, Literature, and Arts (LLA)*

Dr. William S. Kiser, *Department of History, Philosophy, and Geography (HPG)*

Dr. Joseph M. Simpson, *Department of Sociology and Communications (SOCO)*

Dr. Megan R. Wise de Valdez, *Department of Natural Sciences (NS)*

Graduate Program Coordinators

Dr. Elizabeth Borda, *Biology*

Dr. Claire Nolasco Braaten, *Criminology and Criminal Justice*

Dr. Walter Den, *Water Resources Science and Technology*

Dr. William Blake Erickson, *Psychology*

Dr. James Finley, *English*

Dr. Young Lee, *Computer Science, Cybersecurity*

Programs

- Department of Computational, Engineering, and Mathematical Sciences (<https://catalog.tamusa.edu/graduate/arts-sciences/computational-engineering-mathematics/>)
 - A.I. Certificate (<https://catalog.tamusa.edu/graduate/arts-sciences/computational-engineering-mathematics/ai-certificate/>)
 - Computer Science, Master of Science (<https://catalog.tamusa.edu/graduate/arts-sciences/computational-engineering-mathematics/mscs/>)

- Cyber Security, Master of Science (<https://catalog.tamusa.edu/graduate/arts-sciences/computational-engineering-mathematics/cyber-security-ms/>)
- Department of Criminology and Political Science (<https://catalog.tamusa.edu/graduate/arts-sciences/criminology-political-science/>)
 - Criminology and Criminal Justice, Master of Science (<https://catalog.tamusa.edu/graduate/arts-sciences/criminology-political-science/criminology-criminal-justice-ms/>)
- Department of Health and Behavioral Sciences (<https://catalog.tamusa.edu/graduate/arts-sciences/health-behavioral-sciences/>)
 - Psychology, Master of Science (<https://catalog.tamusa.edu/graduate/arts-sciences/health-behavioral-sciences/psychology-ms/>)
- Department of Language, Literature, and Arts (<https://catalog.tamusa.edu/graduate/arts-sciences/language-literature-arts/>)
 - English, Master of Arts (<https://catalog.tamusa.edu/graduate/arts-sciences/language-literature-arts/english-ma/>)
- Department of Natural Sciences (<https://catalog.tamusa.edu/graduate/arts-sciences/natural-sciences/>)
 - Biology, Master of Science (<https://catalog.tamusa.edu/graduate/arts-sciences/natural-sciences/biology-ms/>)
 - Water Resources Science and Technology, Master of Science (<https://catalog.tamusa.edu/graduate/arts-sciences/natural-sciences/water-resources-technology-ms/>)
