An official MAT score will be accepted in lieu of the GRE for Kinesiology program admission.

Prospective students must have at least a 2.6 cumulative undergraduate GPA or at least a 3.0 on the last 60 hours.

Unconditional admission is assigned to entering students who have earned a baccalaureate degree from a regionally accredited college or university. Kinesiology majors must also meet one of the following sets of minimum requirements:

1. Have an undergraduate cumulative grade point average between 2.60-2.99 or an undergraduate grade point average of 3.00 or higher for the last 60 semester credits (or 90 quarter credits), and

A conditionally admitted student will be allowed to enroll in 3-6 semester hours as prescribed and approved by the Associate Chair of Kinesiology or other designated program representative. The student must submit standardized test scores during the first semester of enrollment to be admitted to unconditional status.
