

MISCELLANEOUS FEES

Parking Fee

All persons who operate a vehicle on University property, regularly or occasionally, are required to register those vehicles with the Parking and Transportation Services and to obtain a parking permit for a designated area or areas. Detailed information on parking and traffic regulations; penalties for failing to register a vehicle and other traffic and parking violations; methods of obtaining refunds; procedures to follow when changing automobiles; location where vehicle may be parked; and a specific breakdown of fees to be paid will be available at the time of registration.

Disabled veterans and decorated veterans whose vehicles display the special license plate issued by the Texas Department of Transportation, upon registration and proper notification of Parking and Transportation Services, are exempt from the payment of fees for any University surface parking permit for which they are otherwise eligible, in accordance with state law. This privilege applies to the veteran only and not to anyone else driving the vehicle. More information can be found at: <https://www.txdmv.gov/motorists/disabled-parking-placards-plates>.
