

## SUMMER FINANCIAL AID

---

Students who wish to receive aid in the summer must complete the Summer Intent to Enroll form. Students who are new to A&M-San Antonio for the summer term only need to complete the FAFSA.

Please note that the OSFA is required to review all students' aid history within the National Student Loan Data System (NSLDS) to determine summer financial aid eligibility. Students' eligibility will be based on any remaining Federal Pell Grant and Direct Loans. Students also may apply for private loans with their lender.

Typically, students must be enrolled **at least half-time** in summer to receive aid. Students who do not complete the Summer Intent to Enroll form will be packaged, although at a later date, to determine their Federal Pell Grant eligibility. If a student's enrollment falls **below 6 hours** in total for summer hours, the student may **not be** eligible for federal student loans and the Federal Pell Grant award may be revised or canceled. The student must contact the OSFA immediately, if their enrollment status changes, to determine their eligibility status for financial aid. It is recommended that students contact OSFA before making changes.

Summer financial aid is disbursed only after spring grades are posted and Satisfactory Academic Progress is reviewed for the spring semester.
