VA Benefits Request Process

To get a list of all documents required to process your education benefits, please see our website, click on the New Benefit User, then select the benefit that is applicable. Incomplete benefit requests will not be accepted and will result in a delay of benefits.

Important Note: Although the Office of Military Affairs submits the request, the VA Regional Processing Office is the final authority on disbursement of funds.

The Hazlewood Act is a State of Texas benefit that provides qualified veterans, spouses, and dependent children with an education benefit of up to 150 hours of tuition exemption, including most fee charges, at public institutions of higher education in Texas. This does NOT include living expenses, books, student services fees, or supply fees.

Hazlewood Exemption request should be submitted, via the OMA website online form, for each semester that the student would like to utilize the exemption. To learn more about eligibility requirements visit <https://www.tvc.texas.gov/education/hazlewood/>.

Tuition Assistance

Service members receiving DOD Tuition Assistance (TA) should request TA through their respective branch portal and submit an online request. The online benefit request form can be found on the Military Affairs website.

Veterans Semester Hour Classification

The VARO uses the semester hour classification scale below for graduates to determine a veteran's payment. Therefore, the number of semester hours enrolled at this university will be reported to the VARO.

Full or part-time status for graduate students in the fall/spring semesters is determined by the following:

- 9 credit hours is full-time
- 6-8 credit hours is 1/2-time
- 5 credit hours or less is less than ½ time

For summer and short terms enrollment requirements, please contact our office. For students using Chapter 33, the rate of pursuit is used to determine a student's payment, not the above scales.
