

SEMESTER HONORS RECOGNITIONS

Full-time undergraduate students of the highest academic rank will be honored in fall and spring semesters by the publication of their names in the President's List or the Dean's List, to be referred to as honor lists, based on their academic performance for that semester. Semester honor lists will not be published in summer terms.

Receiving a grade of D, F, I, W, or WS for a semester makes a student ineligible for inclusion in these honor lists for that semester. If there is a change in grade for a semester after the publication of the honor list lists for that semester, and the change results in the student's eligibility for inclusion in the honor lists for that semester, then the student will be added retroactively to the honor list for that semester.

Only courses completed at A&M-San Antonio will be used for determination of eligibility for inclusion in the honor lists.

- **President's List:** This list includes undergraduate students who achieve scholastic distinction in a semester, as evidenced by a grade point average of 4.0 in at least 12 semester credit hours in a semester excluding grades of CR.
- **Dean's List:** This list includes undergraduate students who achieve scholastic distinction in a semester, as evidenced by a grade point average of 3.5 to 3.99 in at least 12 semester credit hours in a semester excluding grades of CR.

These lists will be published within one month after the grades for the fall and spring semester are announced. In a given semester, a student will be recognized for only the highest of the above honors for which the student qualifies.

Official notification of these designations will be issued to the student by the Dean of the student's college and mention of inclusion in the honor list will be made in both unofficial and official transcripts.
