

GRADE REQUIREMENTS

Minimum Grade Requirements

A minimum 2.0 cumulative institutional GPA is required to avoid probation. Students in the Teacher Preparation Program in the College of Education & Human Development must maintain a minimum of 2.75 cumulative institutional GPA. All transfer students must have a cumulative 2.0 GPA to transfer into Texas A&M University-San Antonio.

Academic Warning

If it is the student’s first semester at Texas A&M University-San Antonio (transfer or freshman) and at the end of their first term the student earns less than a 2.0 institutional GPA, they will be placed on Academic Warning. In order to get off of academic warning a student must bring their institutional GPA to a 2.0 or higher by the following term. If the student does not bring their GPA to a 2.0 in one semester or term, the student will then be placed on scholastic probation. All academic warning students will be required to meet with an Academic Success Coach, but will not be required to complete academic recovery program.

Scholastic Probation

Undergraduate students will be placed on scholastic probation any time their overall grade point average at Texas A&M University-San Antonio falls below 2.0. Students placed on scholastic probation for the first time are required to seek academic advising before registering for classes and are required to meet with the Student Academic Success Center in order to register for the following term and participate in an academic recovery program. In order to remain on scholastic probation, a student must earn a semester or term GPA of 2.0. As long as the student maintains a semester GPA of a 2.0 and remains beneath a 2.0 institutional GPA, the student will be required to meet with the Student Academic Success Center and participate in an academic recovery program. Students on scholastic probation are limited to 13 hours every semester they remain on scholastic probation.

Academic Dismissal

Students who have been placed on scholastic probation and earn beneath a 2.0 semester or term GPA will be placed on academic dismissal. Because it is the first dismissal, the student will be required to sit out one semester and must complete an academic appeal, submit a personal letter, and an academic success plan. The appeal deadlines are as follows:

Pre-Defined Table

Deadline	Date
Fall	June 15th
Spring	October 15th
Summer	March 15th

If a student is dismissed from the University a second or subsequent time, the student will be required to sit out a full academic year (fall, spring, and summer) before re-applying to the University. In order to re-apply the student must apply via <https://www.goapplytexas.org> (<https://www.goapplytexas.org/>), pay the Admissions fee, and submit an appeal to the University by the stated deadline below. The appeal deadlines are as follows:

Pre-Defined Table

Deadline	Date
Fall	June 15th
Spring	October 15th
Summer	March 15th

All transcripts, appeal paperwork/documentation, and application fee must be paid before the deadline listed above. Appeal decisions are made by the Academic Suspension committee and are final.

Appeal Process for Dismissal

Any student placed on Dismissal has the right to appeal to change that status. Students must initiate the appeal process with Student Success Center.

1. Students will be counseled by a Student Academic Success Coach. The student will complete the online appeal form and submit any supporting documentation to the Academic Success Coach by the required deadline. The Academic Suspension committee is within their rights to deny the appeal.
2. The form will be reviewed by Academic Suspension Committee and a determination made regarding the outcome. If a student’s appeal is approved, the student must then participate in the academic recovery program as part of their requirement for reinstatement.
3. If approved, the student is informed by the Director of Student Success and the Office of the Registrar is informed to allow registration for that term. Reinstated students will be limited to 13 hours automatically. It is at the Suspension Committee’s discretion to limit the student further (3, 6, 9, or 12 hours). The restriction will stay on as long as the student is on scholastic probation or reinstatement.
4. If the appeal is denied, the student is notified of the decision by the Director of the Student Success Center and the academic dismissal status remains on the record. Students must reapply to the University if they do not enroll within one calendar year from the initiation of the academic dismissal.

As part of the re-admission appeal process, all students are required to develop, in consultation with an Academic Success Coach from the Student Success Center, a student success plan. As part of the student success plan, students will be required to complete specified assessments as well as participate in an academic recovery program. Students are required to complete the academic recovery program as long as they remain on scholastic probation.
