Plan of Study

This suggested plan of study is intended to be used as a guide in conjunction with official degree requirements outlined in the catalog. This plan is based on existing partnerships that allow students to complete their A.A.S. degree before transferring to A&M-San Antonio to complete the upper-division program. Each student's academic path is unique and your timeline may look different. Students should regularly consult with academic advisors as they plan their course schedules as course offerings may vary.
