

# EDUCATION FIELD RESIDENCY (EDFR)

## EDFR 3110 Field Lab Residency I

**Credit:** 1 (0-0-1)

Requirement of one semester of field residency (consisting of 30 clock hours) while enrolled in departmentally approved field residency courses. This lab course is designed to equip pre-service teacher candidates with classroom observation experiences in the field. This lab is taken in conjunction with designated field residency courses in which students are provided specific assignments to complete during the classroom observation. The course must be successfully completed prior to teaching. TSI Restriction(s): Reading, Math, and Writing

**Prerequisites:** Admission to the teacher preparation program.

**Restrictions:** Graduate level students may not enroll. Enrollment limited to students with the EDFR 3110 Field Res I attribute.

## EDFR 3120 Field Lab Residency II

**Credit:** 1 (0-0-1)

Requirement of one semester of field residency (consisting of 30 clock hours) while enrolled in departmentally approved field residency courses. This lab course is designed to equip pre-service teacher candidates with classroom observation experiences in the field. This lab is taken in conjunction with designated field residency courses in which students are provided specific assignments to complete during the classroom observation. The course must be successfully completed prior to teaching. TSI Restriction(s): Reading, Math, and Writing
