- Other courses may satisfy core curriculum requirements. Courses listed under the core curriculum above are also specific degree requirements, and are recommended in the core to expedite degree completion.
- Recommended that all courses be completed before Field Residency I Semester.
- 3 Courses are listed in suggested order of completion
- 4 'C' or higher required in EDXX courses
- Support Field Course should be from a common field, such as Math, Science, English Language Arts, Social Studies, or Special Education. Must include at least 6 advance credit hours from 3000-4000 level courses.

**Note:** For state approved programs leading to certification, as the state implements new requirements for certification, changes at the state level become compulsory at the time required with or without notice. It is the student's responsibility to consult their major academic advisor and catalog for any new updates or changes. Catalog and Degree Plans expire in 6 years

Completion of this degree plan requires admission to the Educator Preparation Program and successful completion of required field residencies and student teaching.

Completion of 45 hours; all with a C or better; Cumulative GPA of 2.75; Qualifying scores in Reading, Writing and Mathematics.

Students who do not meet teacher preparation and certification requirements may be required to switch to a non-certification degree program.

ESL Endorsement Option: requires students to complete 9 EDBL hours by taking:

EDBL 3311	Foundations of Bilingual Education	3
EDBL 3321	Methods for Teaching ESL	3

## **Plan of Study**

This suggested plan of study is intended to be used as a guide in conjunction with official degree requirements outlined in the catalog. While this plan demonstrates a course of study that covers eight semesters, each student's academic path is unique and your timeline may look different. Students should regularly consult with academic advisors as they plan their course schedules as course offerings may vary.
