

INTERNATIONAL UNDERGRADUATE ADMISSIONS

Texas A&M University-San Antonio adheres to high standards of academic excellence and admits students in accordance with their level of academic preparation without regard to race, color, sex, age, religious commitment or national origin.

If the university grants a student admission on the basis of incorrect information or omitted facts, which, if known, would invalidate the applicant's eligibility, that student's admission is invalid. The completed application and supporting documents (i.e. official transcripts from ALL previous college and universities, official transcripts showing high-school graduation, and test scores: SAT or ACT) constitute the basis upon which the Office of Admissions will determine eligibility for admission.

Applications will be processed after all admission required documentation has been received. An application is considered to be complete only when the Admission Office has received all required documentation for admissions, including completed application through ApplyTexas.org, required test scores, application fee, foreign credentials, and official transcripts from all previous academic work as requested. Completed applications are processed in the order in which they are made complete. Applicants are typically informed of their admission decision within two week from the point of completion. Incomplete applications will not be processed and will be withdrawn by the university after the census date for the term. Admission decision processing turnaround times may vary as deadlines approach. We highly recommend students answer the questions on the application accurately.

Prospective students are strongly encouraged to apply early. Applicants who do not enroll for the term in which they are admitted are required to reapply, must pay an additional application fee and will be re-evaluated to determine admissibility.

International Undergraduate Admissions Application Fee

Applicants applying or reapplying to Texas A&M University-San Antonio are required to pay a non-refundable application fee of \$50.00. Each application submitted incurs a required non-refundable application fee, regardless of completion status or admission decision. It is recommended that payment be submitted via the ApplyTexas application. However, payment is also currently accepted in person (cash, card, check, money order or via mail by check, or money order). All payments should be sent directly to:

To be considered official, transcripts should have: an original signature of a school official and/or the school seal, must be printed within a year of the submission date, must be received directly from the sending institution, or hand-delivered in a sealed envelope from the sending institution. Prior to registration, each student must be assessed in three skill areas (reading, writing, and mathematics) by taking the TSI assessment and achieving the following scores:

- **TSI Assessment (prior to January 11, 2021)**
 - Mathematics: 350 or higher
 - Reading: 351 or higher
 - Writing:
 - Placement score of at least 340 and an essay score of at least a 4; OR
 - Placement score of less than 340, ABE Diagnostic level of 4 or higher and an essay score of at least a 5.

International students have the option to take the exam from their home country through a virtual proctoring network. Please contact the A&M-San Antonio TSI Office at tsi@tamusa.edu to inquire about this service. The fee for the completion of the assessment instrument will be paid by the student. Passing TSI scores are set by the Texas Higher Education Coordinating Board and are subject to change at any time. Please contact the TSI Office for the most up-to-date passing scores. If you believe you qualify for an exemption, please contact the TSI Office at tsi@tamusa.edu.

All students who are not college ready will be required to enroll in the appropriate co-requisite course each fall and spring until the student passes and completes appropriate co-requisite course and is deemed college ready. This policy may change based on recommendations from the Texas Higher Education Coordinating Board (THECB) or because of extenuating circumstances. Students who are not TSI complete in any area (Reading, Writing, and/or Math) will be unable to register for TSI restricted courses in that area and in upper division (3000-4000) courses until the student demonstrates college readiness in all areas.
